Scottsdale, AZ., November 5, 2009 - Southwest Recruiting Services, L.L.C, a leading regional employee recruitment firm, today announced that, as a subcontractor partner to Vangent, Inc. and Lockheed Martin, it is hiring approximately 200 temporary employees in Phoenix, AZ to support operations for the U.S. 2010 Census. Positions include: data entry keyers, team leaders, document preparation clerks, sorter and scanner operators, check-in clerks, mail receipt / mail handlers. The vast majority of jobs will end with the conclusion of the U.S. Census in July, 2010.

The full and part-time employees will team with approximately 2,500 other staffers at the Paper Data Capture Center facility at 4427 West Buckeye Road, Phoenix, AZ. The location is convenient to the freeway and accessible to public transportation.

Interested candidates should call (480) 966-0709 (East Valley office) or (602) 235-0865 (North Phoenix office). Ideal candidates include full-time job seekers, retirees, college students, unemployed persons and physically-challenged persons. Southwest Recruiting Services, L.L.C. is an equal opportunity employer and seeks to hire a diverse workforce to support this effort.

To be eligible for employment, potential candidates must:

- Pass a suitability check that includes fingerprinting
- Possess a high school diploma or equivalent
- Be legally able to work in the United States (two-year residency)
- Sign a sworn statement to protect Census data

Southwest Recruiting Services, L.L.C. is a 6 year-old, Scottsdale-based, regional executive search and temporary staffing firm.
